

## SOUTH CITIES CHURCH

### Letter from Pastor Dave Zuleger

Welcome to South Cities Church!

We are a family in Christ that exists to love God, love our neighbors, and make disciples of all peoples! We would love it if you would consider joining our family as we pursue this together as a local church.

At South Cities, we believe all human beings are made in God's image and worthy of dignity, care, and respect. We live in a world that often disregards those with disabilities. Yet, the word of God tells us that all people - including those with disability - were knit together in their mother's womb - fearfully and wonderfully made. We celebrate and honor our Creator by celebrating and honoring all those made by him in his image. You are very welcome here.

And so, we are eager to invite you into our church family to serve and be served, to love and be loved. Perhaps you are a caregiver of some sort that is wondering how a child, family member, or friend might be welcomed at our church. We won't be perfect, but I'm confident that we will do our best to see, know, and serve each person that comes through our doors and we trust that God will help us fold them into the family that Jesus is knitting together in these south cities. It would be our joy to seek to help you love God with all your heart, to love you and help you love your neighbors as yourself, and to see you grow as a disciple that faithfully walks with Jesus and helps others do the same. So, come! And if you have questions or need accommodations before you come, please reach out and we will do our best to get you the information you need to navigate your time with us.

Looking forward to seeing you,  
Pastor Dave
